application tips

In your professional career, it will always be important to read the instructions, then follow them carefully and thoroughly. Start now.

1. Complete both pages of application. Page 2 is intended to be a simple estimate of your expenses and your resources.
2. Personal Statement. This is your chance to tell us what you want us to know you. Take advantage of this opportunity. Your name must be at the top of this page.
3. Resumé.
4. Three letters of recommendation, which must be signed.
5. Official transcripts only.

Application must be complete to be considered.
